**RESPONSE TO ELECTION OF SPECIES REQUIREMENT**

Sir:

In response to the Election of Species Requirement mailed May 4, 2004,  
Applicants provisionally elect Group I, Figure 7, upon which Claims 1 and 7-11 read,  
with traverse.

Traversal is on the grounds that a search of the art for one group of claims  
will necessarily include a search of the art for the other group of claims. It is believed  
that the burden on the Examiner to examine all claims in a single application is less than  
the burden on the Applicants/public to prosecute/search more than one application/patent.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 625-3507. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Richard P. Bauer", written over a horizontal line.
